

Florida Department of Transportation

June 25, 2009

Dear Member:

Florida Department of Transportation Credit Union will be closing its Jacksonville branch office located at 2198 Edison Avenue, Jacksonville, Florida 32204 effective July 31, 2009. Like everyone else, the current economic trends have forced the Credit Union to examine all aspects of its operations for cost savings. In light of limited member use of the Jacksonville branch and the challenges of operating a branch with a single employee, the closure of the Jacksonville branch will result in a cost savings to the Credit Union, but also little inconvenience to member services.

We look forward to serving you at our primary locations in Tallahassee and Lake City. In addition to these locations, we encourage you to use our services including Home Banking, Debit Cards, Credit Cards, and ATM's for your convenience in transacting business with the Credit Union.

If you have any questions, please contact us.

Sincerely,

A handwritten signature in black ink that reads "Juanita Moore". The signature is written in a cursive, flowing style.

Juanita Moore  
Chairperson of the Board  
Department of Transportation  
Credit Union
