

SKIP YOUR DECEMBER LOAN PAYMENT WITH NO SKIP PAY FEE!!!

Need some extra cash for the holidays? You can skip your December, 2017 loan payment(s) as long as your loan(s) are current and your account is in good standing. Loans must also be open a minimum of 6 months with no delinquency to qualify for the payment skip. There is no fee charged for skipping your loan payment and this payment skip is available for any existing consumer loan, except credit cards, no credit check loans, or loans secured by real estate. If you are making your loan payments on a bi-weekly or semi-monthly frequency, your skip will be in 2 installments to equal a one month payment skip. If your loan payment is on payroll deduction or automatic payment you can still take advantage of the payment skip, just be sure we receive this form, completed and signed below, at least five business days before your regularly scheduled payment.

Loan interest will continue to accrue on the outstanding balance at the rate stated on your loan agreement. You understand and agree that the skipped payment(s) shall result in more payments or a larger final payment as determined by the Credit Union in its sole discretion.
