

SKIP YOUR JUNE LOAN PAYMENT WITH NO SKIP PAY FEE!!!

Need some extra cash for that summer trip or kids' summer camps? You can skip your June, 2019 loan payment(s) as long as your loan(s) are current and your account is in good standing. Loans must also be open a minimum of 6 months with no delinquency in the last 6 months to qualify for the payment skip. There is no fee charged for skipping your loan payment and this payment skip is available for any existing consumer loan, except credit cards, lines of credit, no credit check loans, or loans secured by real estate. If you are making your loan payments on a bi-weekly or semi-monthly frequency, your skip will be in 2 installments to equal a one month payment skip. If your loan payment is on payroll deduction or automatic payment you can still take advantage of the payment skip, just be sure we receive this form, completed and signed below, at least five business days before your regularly scheduled payment.

I understand and agree that (a) interest shall continue to accrue on the unpaid Loan balance during any period of skipped payment at the rate stated in my Loan agreement, (b) I shall be required to make additional periodic payments until the Loan is paid in full to Credit Union, thus extending the term of the Loan and the Loan maturity date, (c) the final Loan payment may be different due to the skipped payment, (d) If I previously elected credit life and/or disability insurance, such insurance coverage will not be extended beyond any Loan's original maturity date, (e) If I have purchased guarantee asset protection (GAP) on any Loan, I will be responsible for any Loan payments that exceed the original loan terms of repayment regardless of GAP, and (f) multiple payment skips may reduce a potential GAP claim.
